**When the famous Violet Viral meets an excentric inventor, she finds herself in an unexpected adventure.**

Violet is rich and famous. It all began when she was three and her mother shared a funny slime video of her. Her mother continued vlogging and then father joined her. Her fame grew. Now she's called Violet Viral and has a million followers! Being famous is fantastic. But sometimes quite exhausting too. One day Violet posts a selfie with the message: *I want a different life. If only I could go back in time.* And then she receives a text from an extraordinary inventor ...
